The faculty at Chilocco wishes to congratulate you on your academic, vocational, and social progress this year. You have shown your ability to complete school assignments in an acceptable manner. This success should give you valuable experience as you continue through life. To our graduates we especially offer congratulations. Your diploma is a key to the door for admission to further learning or to give you assurance in your vocational choice. To each one of you we wish happiness and success. To our undergraduates we hope you will return to school next year and complete high school.

To Graduates of 1960 -

Your graduation shows that you have made good use of the opportunities you found at Chilocco. We congratulate you on your achievement. We hope you will honor your parents, your friends, and your teachers who have helped you along the way. Now, greater opportunities are open to you and we trust you will make the best use of them, too. Your success here should encourage you to win recognition in your chosen field. May the standards and traditions Chilocco has held before you carry you closer to the fulfillment of your dreams.

W. Keith Kelley
